Just call 610-566-2700, and your call will be answered by one of the staffing coordinators!*

PERSONNEL FILES!!!! More important than you think!!

At any time Home Health Specialists can be visited by The Joint Commission. During these visits, employee files are checked for appropriate documents. Please be sure your employee file is up to date at all times! The following is a list of information needed for your file:

-Drivers license	CPR	Health Exam	Child Abuse	Mandatory Inservices
-Social Security	PPD	Auto Insurance	FBI Clearance	4 CEU's Per year

If you have questions about your file, or how to obtain any of these documents, contact the office. Anyone who does not have an FBI clearance, or is unsure how to obtain it, you can go to www.pa.cogentid.com Also, you can call 1-888-439-2486 Monday thru Friday 8a-6p.

Please remember-your patient's insurance authorization depends upon YOUR documentation. Insurance companies are feeling the burden of the economy and are looking to cut authorizations wherever possible. If there is no documentation, there is no need for them to provide coverage. Subsequently, this will result in loss of pay for you. If you have questions regarding your documentation, please contact Emanuela.

Thank you all for providing such compassionate care to our patients. Not only do their loved ones appreciate it, we commend you as well. Have a safe and happy 2010!
